Welcome Letter

Dear Colleagues,

Mount Lebanon Hospital - Gharios Medical Center, in collaboration with the Lebanese University, the Lebanese American University and the Lebanese Society of Nuclear Medicine, cordially invites you to its **"Second Lebanese Oncology Forum"** which will be held on **April 27-28, 2018 at Mount Lebanon Hospital**. The forum will address several updates on major oncological topics.

Prominent Lebanese and International speakers will discuss major advances in Oncology and Nuclear Medicine. Cutting edge techniques and therapies available for the prevention, diagnosis and management of most of the prevalent cancers in the Lebanese population will be exposed and discussed.

Seminars will also highlight the best procedures for the implementation of a multidisciplinary approach in the care of cancer patients.

Your contribution through the interactive sessions, special symposiums and case presentations will be highly appreciated.

Looking forward to see you!

Sincerely,

Elie Gharios, MD
Medical Director
